D/NV Form  
Rev. June 2014

Kilogram of Heroin. On June 3, 2022, Scott commenced his first term of supervision in the District of Nevada. On February 17, 2023, Your Honor accepted jurisdiction of the case.

On April 24, 2024, Scott appeared before Your Honor for revocation proceedings. The probation office alleged Scott failed to comply with the following conditions: report police contact within 72 hours, substance abuse treatment, live at approved place, and do not unlawfully use a controlled substance. During this hearing, supervision was revoked, and Scott was sentenced to time served followed by three (3) years' supervised release. Scott commenced his second term of supervision on April 24, 2024.

On May 8, 2024, Your Honor signed a Petition for Warrant due to Mr. Scott committing a new law violation and testing positive for marijuana use.

On May 16, 2024, Mr. Scott appeared before the Court for his Initial Appearance. At the conclusion of the hearing, Mr. Scott was released to the Residential Reentry Center (RRC). Pre-trial supervision will pay for Scott's RRC placement until June 11, 2024. As of right now, Mr. Scott's final revocation hearing is set for June 11, 2024. However, defense counsel has agreed to file a stipulation to extend the revocation hearing for 60 days.

At this time, it is requested that Mr. Scott's conditions of release be modified to include placement at the RRC for an additional 90 days. Mr. Scott does not oppose the request modification as indicated by his signature on the attached waiver of hearing form.

Please contact the undersigned officer at (702) 527-7256 if you have any questions. Thank you.
